

Jaclyn Gutierrez

7th Grade
English Language Arts
2A / 4B
Team 72

Biography

Born in San Antonio and raised in the Valley, I have always had a passion for learning and teaching others. Having the opportunity to work at South Texas Preparatory Academy as a 7th grade English Language Arts teacher is a blessing I will forever cherish. My goal as a teacher is to make sure that every student receives the guidance and assistance to grow and improve throughout the school year. I hope, just how my students learn from me, I learn from my students and always give my very best!
